At 4:00 PM on Thursday, April 28, 2011, Chairman Scott Miller called to order the Xenia Township Board of Trustees. Those attending were Trustees Scott Miller, Jim Reed and Amy Lewis, Fiscal Officer John Faulkner and Zoning Commission members Virgil Ferguson and Kent Harbison.

The Xenia Township Zoning Commission has recommended approval of the amendments to the Xenia Township Zoning Resolution, Sections 201, 408, 409, 410 and 411, and recommends a new Section 527 – Adult Business.

Discussion was held. Trustee Reed asked about an adult entertainment business going private...does the Township still have enforcement powers. Reed was to inquire at the Greene County Prosecutor's Office for an answer.

Unable to answer this inquiry, Chairman Miller set to reschedule the public hearing until May 12, 2011 at 6:00 PM.

There being no other items for the public hearing, Chairman Miller moved to adjourn. Jim Reed seconded the motion and all Trustees voted aye.
