RECORD OF PROCEEDINGS MINUTES OF THE XENIA TOWNSHIP TRUSTEES: RE4 HELD ON: MAY 26, 2011

Notes: These minutes are a summary of the Xenia Township regular business meeting and are not a word for word account of the discussions. The proceedings were electronically recorded on tape, but limited by the quality of the recording equipment. The meeting place was the Xenia Township Office, 8 Brush Row Road, Xenia, Ohio. This was a regularly scheduled meeting on a date established during the reorganization meeting. No additional notices were given.

Chairman Scott Miller called the meeting to order at 4:12 PM. All participated in the Pledge of Allegiance.

Board members attending also included Jim Reed and Amy Lewis. Others from the Township included Fiscal Officer John Faulkner, Zoning Administrator Rhonda Painter, Public Works Superintendent David Shuey, Fire Chief Daryl Meyers and Captain Dean Fox.

GUESTS: Stephanie Hayden (Greene County Prosecutors' Office)

Miller moved the Xenia Township Trustees retire to "Executive Session" to consider conference with an attorney. This is an exception to the open meeting act as permitted by the ORC 121.22(G). Today's date and time is May 26, 2011, 4:12 p.m. Lewis seconded the motion.

Roll call: Ayes: Lewis, Reed & Miller.

Motion passed

Lewis moved the Xenia Township Trustees return to an open and public meeting. Today's date and time is May 26, 2011, 5:00 p.m. Reed seconded the motion. Roll call: Ayes: Lewis, Reed & Miller. Motion passed

PUBLIC COMMENT ON ACTION ITEMS:

None

MINUTES:

April 25th Work Session #2 Amy Lewis moved to approve. Scott Miller seconded the motion. Roll call: Ayes: Lewis, Reed & Miller. Motion passed April 28th Regular Meeting Amy Lewis moved to approve. Scott Miller seconded the motion. Roll call: Ayes: Lewis, Reed & Miller. Motion passed May 3rd Emergency Meeting Amy Lewis moved to approve. Jim Reed seconded the motion. Roll call: Ayes: Lewis, Reed & Miller. Motion passed May 6th Emergency Meeting Scott Miller moved to approve. Amy Lewis seconded the motion. Roll call: Ayes: Lewis, Reed & Miller. Motion passed May 12th Regular Meeting Jim Reed moved to approve. Amy Lewis seconded the motion. Roll call: Ayes: Lewis, Reed & Miller. Motion passed May 18th Work Session Scott Miller moved to approve. Amy Lewis seconded the motion. Roll call: Ayes: Lewis & Miller. (Reed absent) Motion passed

This completed the reading & approval of previous meeting minutes.

FISCAL OFFICER/FINANCE:

Scott Miller moved to approve the bills and payroll for the current period. Vendor checks totaled \$38,150.91. Payroll, including taxes totaled \$58,835.76. At the May 12 meeting bills and payroll were approved for \$45,922.92. Miller moved to approve. Lewis seconded the motion.

Roll call: Ayes: Lewis, Reed & Miller.

There was communication from the City of Xenia for the JEDD Board--in the their rules of operation any expenditure of \$250 or greater needs approval of the City of Xenia and the Xenia Township Trustees. They have a proposal for \$800.00 for liability insurance for the JEDD Board. The City of Xenia passed it and the Trustees are asked to approve it too. (Funds come from Board's money-3% of payroll withheld.) The request is to authorize insurance payment for the JEDD Board in the amount of \$800.00. Lewis moved to approve. Miller seconded the motion. Roll call: Ayes: Lewis, Reed & Miller.

Motion passed, resolution #2011-**108**

ROAD DEPARTMENT:

Public Works Superintendent David Shuey gave a report on recent storm damage in the Township. The road crew worked late several nights. 3 large trees in the Township were down. 2 large trees were on County roads so they helped. Many trees were wrapped in power lines so they had to sit back and wait and keep people away from them. He said the crew did a great job.

Faulkner asked if Shuey could write a brief paragraph about working with the Sheriff's Department and the County because the Township Association is preparing an article about how communities are collaborating with one another. Miller agreed.

This concluded Superintendent Shuey's report.

ZONING DEPARTMENT:

Zoning Administrator and Inspector Rhonda Painter gave this report.

The following permit was issued since May 12:

• Charles Nosker, 550 U.S. 68 South, addition to single family home

The Board of Zoning Appeals, no meetings.

Zoning Commission will have a Public Hearing for a rezoning request from Cemex on Thursday, June 16 at 6:00 p.m.

Reed asked about the upcoming event at Kil-Kare on July 3—Painter has info on it and a contact person and she will be talking to them.

This concluded the report and action items of the zoning department.

FIRE DEPARTMENT:

Fire Chief Daryl Meyers gave this report.

He and Faulkner have been working on a discrepancy/or oversight on a payment to Federal Signal Corp. (emergency sirens). Faulkner added there was nothing in the unpaid accounts payable that indicated there was an unpaid balance. Meyers received an email from Federal Signal Corp. asking where their money was. Faulkner called them and assured them we will pay them. Meyers gave information about the sirens—someone at the Career Center had shut off the breaker. When that was remedied, the sirens still did not operate when activated during the storm. Funds were spent recently to see how everything was working, not to repair anything. Federal Signal will be sending their technician to see what is going on with this particular siren. We do know siren at this moment is wired into the welding shop and the instructors like to flip breakers. The siren needs to be rewired to an area that does not lose power. One recommendation is to wire it to where their generator is. Another suggestion is to put a light on it next year that shows its power is on. Reed asked why the siren was not placed independent of the Career Center. This happened a long time ago and supposedly, it was run off power that was always on. The siren wiring at Old Town Butcher Shop comes out of the building, but operates off transformer. The siren wiring behind Wilberforce is brought into a panel and is in a locked-open position. Dayton Power & Light is not on a generator, however, if that power goes off, within a maximum of 2 hours it will be restarted either internally through them or they reroute their wiring back to that facility and have it restarted. The only one he is not sure of the wiring is the one on Union and Washington. It doesn't go into the church. It does work. Reed asked about battery back-up. Meyers answered it depends on how long the power is out.

Meyers will be asking for a meeting with the BZA in regard to the medic and crew allotment at the Tug-A-Truck site (at Atley's).

Two Fire Department vehicles were damaged by the hail. Painter called insurance company. An adjuster will contact Meyers to get pictures and estimates on their vehicles. The Chief was given authority to get his windshield replaced. We have a \$1,000 deductible that we will have once, not for each vehicle. We are to select a body shop. The Chief's vehicle is due to be replaced at the end of the year—it has 84,000+ miles and is a 2004.

This concluded Chief Meyer's report.

TRUSTEES' OLD / UNFINISHED BUSINESS:

Community Clean-Up: Painter reported we had 4 dumpsters—2 here, 1 at Station 2, and 1 at Wilberforce. Only 2 tires were dropped. There was a lot of good feedback from the community. One dumpster was replaced once. There was no report about the recycle trailer.

TRUSTEES' NEW BUSINESS:

Public Hearing for text amendments was set for 5:00 p.m. on June 23. (Definitions for outdoor amphitheater, drive-in theater, outdoor recreational facility. New section for continuation of public hearing. Shown on Exhibits A & B)

Moormans wants to borrow the World Trade Center artifact for the parade at Labor Day in Cedarville. He would put the artifact and several firemen from Cedarville Fire Dept. and possibly Xenia Township Fire Department on his truck. The Trustees agreed to it.

Mailboxes in Old Town—Faulkner said there had been discussion about cleaning up the approach looking left from Brush Row Road onto U.S. 68 South. He spoke to the Postmaster about using some group mailboxes to clean up the eyesight. It has to be approved by people that receive their mail that way and he will take it to his superiors in Cincinnati and have it approved. At that point they would fund a major portion of it. Miller said during the road ride they looked at sites—they knew the site for the west side of the street but not sure of the site for the east side. Reed agreed to go door-to-door with the letters. Faulkner will prepare the letter.

6119 discussions—a meeting was set for June 13 at 3:00 p.m.

There were properties that needed to be declared nuisances due to high grass. Lewis moved to declare each property a nuisance for tall grass by calling out each by location. Miller seconded each motion. All voted Aye as follows:

1164 Brush Row Road	Resolution #2011-96
1165 Brush Row Road	Resolution #2011-97
1173 Brush Row Road	Resolution #2011-98
1401 Brush Row Road	Resolution #2011-99
1481 U.S. 42 East	Resolution #2011-100
1556 Wilberforce Switch	Resolution #2011-101
1157 McGinnis	Resolution #2011- 102
337 Washington Road	Resolution #2011-103
892 Yellowstone	Resolution #2011-104
286 Winding Trail	Resolution #2011- 105

The time of Trustees' Work Sessions are being changed to 2:30 p.m. on the third Wednesdays of the month. There was discussion about topics for next work session on

June 15. Budget will be presented first of July so it will need to be discussed. Employee handbook needs addressed. An additional work session will be held June 9 at 4:00 p.m.

Painter said June 10 at 11:45 is the groundbreaking for Tecumseh School.
